This entry was posted on February 28, 2017 and is filed under CED News & Social Media

The following are articles and reports on the web that the Community and Economic Development

Program at the UNC School of Government shared through social media over the past month. Follow us on twitter or facebook to receive regular updates.

Items of interest related to CED in North Carolina:

Why hasn't North Carolina's "largest, shovel-ready industrial site" landed a major company yet? [?http://bit.ly/2kuvAYC](http://bit.ly/2kuvAYC)

Over 377,000 North Carolina renter households experienced severe cost burdens and other housing-related issues in 2013, says report. <http://unc.live/2mpl2vK>

School of Government faculty member Tyler Mulligan proposes a framework for judicial scrutiny of government subsidies for private development in the Harvard Law & Policy Review: [?http://bit.ly/2IMmEb5](http://bit.ly/2IMmEb5)

Other CED items:

Thought manufacturing job losses were bad? Harvard Business School asks: could future service sector job losses be worse? <http://hbs.me/2mpjZvS>

Federal Reserve Bank post examines how where you live impacts the availability and accessibility of good paying jobs that don't require bachelor's degree: <http://bit.ly/2mplQ3w>

Research finds large corporate landlords more likely to evict tenants than small landlords in Atlanta: <http://bit.ly/2m8YsGX>

Report asks: Are there enough building code inspectors to keep development safe and on pace? <https://t.co/h9CPZOuiGr>

Op-ed explains the technical reasons why cellular technology (like 4G and next generation 5G) can't reach rural areas without fiber backbone. [?http://bit.ly/2l4iPBu](http://bit.ly/2l4iPBu)
